

**Nippersink School District 2
10006 Main St.
Richmond, IL 60071
815-678-4242**

Dear Parents,

Please remember that should we experience inclement weather, you, as parents, always have the right to keep your children at home. If for weather related reasons, you feel that your child's safety would be in jeopardy, you simply need to call the school and notify the secretary of the absence. The absence will be considered acceptable and your child(ren) will be allowed to make up their work. We appreciate the caution and good judgment, District 2 parents show when exercising authority in this decision.

For up to date information, you can listen to the following radio and T.V. stations. The sites listed below will also be used to broadcast the emergency closing of school for non- weather related emergency closures. Additional emergency information is to be found in your student handbook.

- | | |
|---------------------|---|
| Television Channels | - CBS 2, NBC 5, ABC 7, WGN 9,
CLTV cable, & Fox 32 |
| Radio Stations | - WGN 720 AM, WBBM 780 AM,
STAR 105.5 FM |
| On Line at | - http://www.emergencyclosings.com |

The District's automated emergency phone call system will broadcast an emergency school closing. The primary number provided at student registration will be contacted by the emergency notification system. If you wish to update that phone number, please contact your child's school office.

Sincerely,
Dr. Dan Oest
Superintendent of Schools
Nippersink School District 2
